

142 Green Cleaner/Degreaser

High-tech formula quickly releases surface bonds of soil and grease on plastic, vinyl, Formica, fiberglass, finished wood, metal, concrete, porcelain, ceramic and quarry tile and more.

WAXIE Sanitary Supply is committed to reducing human and environmental exposure to potential hazards from the cleaning process. Besides offering low environmental impact equipment and training, WAXIE has low-impact environmental cleaning products certified by Green Seal*. Low environmental impact products, equipment and training can help your facility earn credits toward being recognized as a "green building" based on the Leadership in Energy and Environmental Design (LEED) Green Building Rating System® for Existing Buildings (LEED-EB).

- Contains no harsh caustics, ammonia or solvents
- Safe for all water washable surfaces
- Use with a sponge, cloth, spray bottle, brush, low-pressure sprayer, pressure washer or autoscrubber

*Green Seal is a well recognized, independent, non-profit organization that awards certification after scientific evaluation to products that are environmentally preferable and effective. This product meets Green Seal's environmental standard for industrial and institutional cleaners (GS-37) based on its reduced human and aquatic toxicity and reduced smog production potential.

Dilutions:

Light soil 2-3 ounces per gallon
Moderate soil 4-6 ounces per gallon
Degreasing or heavy soil 9-12 ounces per gallon
Sold by the each and case of four 3-liter bottles
Item #410001

342 Green Mild-Acid Bath & Grout Cleaner

Cleans and brightens chrome, tile, porcelain, glass and more.

WAXIE Sanitary Supply is committed to reducing human and environmental exposure to potential hazards from the cleaning process.
